Scholarships and Bursaries for the International Baccalaureate Diploma

St. Clare's offers a number of academic scholarships and bursaries to students who would benefit from and contribute to the academic and social life of this lively international community.

We fund the equivalent of at least FIVE full scholarships (covering residence and tuition) each year. Awards are made on the basis of academic ability, likely general contribution to the College and financial need. All awards run for the two years of the course, although renewal for the second year is subject to satisfactory performance and conduct. Two awards are designated as Anne Dreydel Foundation Scholarships.

Awards do not cover associated costs such as books, exam fees and trips. Estimates of these costs are given on our Fees Sheet.

Scholarships are awarded to students of exceptional ability, while Bursaries may be awarded to students who would benefit from and make a considerable contribution to College life.

We welcome applications for students from both the UK and overseas. However it is a requirement that all applicants attend our Scholarship Day, which consists of two written examinations, a group exercise and a series of short interviews with staff members at St. Clare's.

Closing date for applications: Friday 1 February 2008

Scholarship Day: Saturday 16 February 2008

The maximum award is for full tuition fees (day students) or full tuition and residential fees (residential students). No more than two full residential and tuition scholarships will be awarded. A larger number of smaller awards will be made and may include some awards of more than 50% of total fees.

Further details on Scholarship Day 2008

The Scholarship examinations and interviews will be held at the College on **Saturday 16 February 2008**. Candidates arrive at the College by 09.45. It may be possible to arrange accommodation for the night of Friday 15 February for any candidate unable to travel to Oxford on the Saturday morning. Please let us know when you apply if you would like us to arrange accommodation for you. Unfortunately, St. Clare's cannot undertake to pay for this accommodation.

Parents or guardians are strongly encouraged to accompany candidates, if at all possible. It is essential that parents have an interview with the Bursar and it is highly desirable that this interview takes place during Scholarship Day.

Tea and coffee will be available throughout the day for candidates and those accompanying them. Everyone is invited to lunch in the College dining room.

For candidates, the day will include three elements: examinations, individual interviews and a group exercise with other candidates. Even though the day has a serious purpose, we aim to make it as informal and enjoyable as possible, considering the nature of the occasion.

Candidates will be divided into two groups. Group A will sit the examinations in the morning and will attend interviews during the afternoon. Group B will attend interviews in the morning and sit the examinations in the afternoon. The group exercise will be timetabled around the other activities.

The written papers will include mathematics questions, reasoning tests and a passage for comprehension. Calculators may be used. No specific preparation is required for the papers. The interviews will be informal and students will be encouraged to talk about their interests, both academic and otherwise, as well as their reasons for wishing to take the IB at St. Clare's. The group exercise will give the opportunity for candidates to demonstrate other skills and characteristics.

There will be ample opportunity to look around the College and to talk to current students. Candidates will be free to leave by about 16.00.

Preliminary visits

Candidates and/or parents are welcome to make preliminary visits. Please arrange these with the Admissions Office.

Scholarships and Bursaries 2008

How to apply

Please send the following with your application:

- 1. Completed Scholarship / Bursary Application form**
- 2. Candidate's Personal Questionnaire**
- 3. Confidential financial statement with supporting documents**
- 4. The completed IB application form (from the IB prospectus) if you have not already submitted an application form**

On receipt of a scholarship application, we shall write to the Head of the candidate's current school, requesting a confidential reference. If you do apply to St. Clare's for a scholarship or bursary, please inform your current school that we will require a reference.

Once we have received the completed application, school reports and reference, we will contact candidates to tell them whether they have been invited to attend the Scholarship Day, or not. We do not wish overseas candidates, in particular, to make what are sometimes time consuming and expensive arrangements to attend Scholarship Day in Oxford if their chances of an award are low.
