- Homestay students have breakfast and an evening meal with their family and lunch at the College

Courses for Teenagers

Summer English

This is the most popular course for teenagers at St. Clare's each summer. It combines everyday English studies with Active Language Projects and a wide range of activities and excursions.

- Classes are available at all levels from Elementary to Advanced
- The Director of Studies tests your knowledge of English and places you in an international group of students at the same level
- Morning lessons focus on the language learning skills of listening, speaking, reading and writing
- They also increase your accurate use of the language by practising grammar points and extending your range of vocabulary
- In the afternoons the focus is on improving fluency in English through a range of interesting subject projects (See Active Language Project subjects below)
- Our qualified and experienced teachers will encourage you to communicate with increasing confidence and accuracy
- Your progress is monitored at regular intervals and your Certificate and Report are presented at a special ceremony on your last afternoon

Every week you take part in a different Active Language Project to develop your language skills. Each programme has a clear 'language' outcome which the learner moves towards during the week. There are three basic stages:

- Preparation** – input from the teacher or research by the learner
- Development** – organising and sharing ideas with other members of the class
- Production** – a presentation or a performance which concludes the activity

Here are some examples of our Active Language Projects:

- Oxford Study Visits
- Youth & Culture
- Global Issues
- Drama Workshops
- Film Studies
- News and Media
- College Magazine
- The language of advertising
- Oxford in popular fiction

Courses for Juniors

There is a great demand for places on this course every summer.

- Fully-inclusive, 3-week programmes are designed to meet the needs and interests of juniors (aged 10 – 15)
- Courses are held at a separate campus in Headington, Oxford, just 10 minutes from the city centre
- The Campus is set in its own private grounds providing a safe and secure environment for our younger students
- There are excellent facilities including comfortable residential accommodation, an outdoor heated swimming pool, tennis courts, gymnasium and extensive sports fields, gardens and woodland
- A committed team of teachers and activity leaders lives on-site and creates a supportive 'family' atmosphere
- Every day our students are busy whether in lessons or taking part in our multi-activity programme – and it's all included in the price
- This truly is an international environment in which participants learn to live and study together whatever their nationality or background

Welfare, safety and happiness

The welfare, safety and happiness of your child is of paramount importance to us. There is a large team of qualified staff to look after all the children at St. Clare's:

- An experienced Course Director is in overall charge of every aspect of the stay
- The Director of Studies oversees the study programme and monitors your child's progress
- Our teachers are committed to providing interesting, entertaining and valuable lessons that appeal to the age group
- A specially selected team of activities leaders is on hand to supervise the sports, social events, excursions and visits
- There is an excellent student/staff ratio – a minimum of one member of staff to every 8 students
- Our course fees include comprehensive medical and travel insurance

Arrival & Departure

A member of the St. Clare's team welcomes your child at the airport on arrival and ensures safe departure at the end of their stay

- In order to benefit from the **free** transfer service, your child must arrive at LONDON HEATHROW airport between 09.00 and 18.30
- Transfers from the airport on arrival and to the airport on departure are accompanied by our representatives and take approximately one hour
- On arrival at the school, we look after passports, tickets and pocket money
- Our friendly and welcoming staff will show your child to their bedroom, introduce them to new friends and help them to settle in. Meals are also available all day for new arrivals who will be hungry after a long journey
- At the end of the course we will take your child back to the airport in good time for check-in and the flight home

Accommodation and Meals

Learning to live together in an international community is, for many, the most valuable part of the experience

- Your child will normally share a bedroom with one or two other students whilst larger rooms are reserved for the youngest students
- Boys and girls are accommodated separately and members of the teaching or activities staff live in nearby rooms so there is always someone available at any time of day or night
- We provide all bed linen and towels and there is a regular laundry service provided. Students are encouraged to keep their rooms tidy
- All meals, breakfast, lunch and dinner, are taken together in the school dining room. The menu is designed to be both healthy and nutritious with vegetarian options, plenty of fresh fruit and salad bar
- Packed lunches are provided when your child goes on excursions and there is a small shop on the school campus for snacks at other times

Courses for Juniors

English & Activities

There is no better way for your child to spend a summer in Oxford. St. Clare's offers the complete language learning experience for this age group.

- Courses last for 3 or 6 weeks and take place during July and August each year
- Classes are available at all levels from Elementary to Advanced
- Your child will be tested on the first Sunday and groups are arranged according to language level and age
- There are 18 hours of language tuition per week. In the mornings the focus is on the four skills of speaking, listening, reading and writing. In the afternoons the emphasis is placed on project work
- Teachers create a vibrant learning environment in which classroom activities are linked to the excursion programme

- Visits to museums such as the Natural History Museum in London or to sights such as Stonehenge or Windsor Castle are an integral part of the cultural and educational experience. Preparation before the visit and follow-up activities afterwards enhance the learning for your child
- Juniors gain confidence during their course and quickly learn to communicate in English more accurately and fluently
- Progress is monitored discreetly by the teacher and the Director of Studies and regular feedback is provided
- There is a special ceremony on the last afternoon of the course when Certificates and Reports are presented by the teachers and Course Director
- It is a great opportunity for children to improve their grades before returning to school in September

Activities & Excursions for Juniors

Our exciting range of trips, sports, cultural and social activities is a vital ingredient in the success of our courses for juniors. Three superb excursions each week are included in the course fees. Some activities take place in or near Oxford, but many activities take full advantage of the heated outdoor swimming pool, playing fields, tennis courts and grounds at the school. Our enthusiastic activities staff involve your child in the busy programme of events every afternoon and evening, seven days a week, and everyone is fully involved at all times.
