

## Study Abroad Undergraduate Programme

Live, learn and discover Oxford with our comprehensive study abroad experience

WE HAVE WELCOMED STUDENTS FROM

### Why choose this programme

**Discover Oxford** – the most famous, international and historic university city in England.

Live with students from around the world as you learn in **small interactive classes** and one-to-one tutorials accredited by US universities.

Our undergraduate semester **offers a wide range of academic courses** at our International College, with space in your study programme for independent travel.

**Stay on track with your major** and meet your college's core requirements with our flexible combination of courses.

**Explore** Oxford, London and the UK through our rich, varied programme of activities and excursions.

Our **friendly supportive college** is in a safe, residential area of Oxford and within easy reach of London.

Live in one of our comfortable and modern **residences** or choose our **homestay** option and live with one of our welcoming local hosts.

St Clare's has run a study abroad programme for over 40 years, with a **mission to advance international education and understanding**.

### Study abroad means study beyond the classroom:

Your studies will take advantage of the academic and cultural resources of Oxford, London and beyond.

We run **field trips** to the Imperial War Museum, Freud Museum, Globe Theatre, British Museum and Shakespeare's Stratford-upon-Avon.

**Classes visit** the Mini car plant, Blenheim Palace, the Oxford University museums and explore the colleges that writers including Oscar Wilde and J.R.R. Tolkien have made famous – all here in Oxford.

## Study options

**You will complete 5 academic courses:** 4 seminar courses and 1 tutorial class. **All classes are small.** Seminars typically have 3-8 students and are capped at 12. Tutorials provide more dedicated support and have 1 or 2 students.

Our classes encourage **engagement:** personal responses to readings, research, presentations and debate. You will benefit from the **expertise, support and encouragement** of our tutors and work closely with your peers. Your courses involve **independent study** and will **help you develop** your writing, research and presentation skills.

We offer over 80 introductory and advanced academic courses across a range of subjects:

- **Business**, including Accounting and Marketing
- **Communications**, including Film Studies
- **English Literature** and **History**
- **Social Sciences:** Psychology and Sociology
- **Politics** and **Economics**
- **Visual Arts** and **Art History**
- **Languages:** French, Italian, Spanish and Chinese
- **Religion** and **Philosophy**, including Ethics

Our tutorial option means **we can run a course just for you** as we work with your home university to create and run the courses you need.

St Clare's was different from my home university because it was very small in size and international. It challenged me academically and helped broaden my cultural awareness.
