Two years that felt like a lifetime. An amazing life of learning, new friends, new cultures, love and getting comfortable with being uncomfortable. St Clare's gave me so much, not only academic, but personal growth, challenging me at every opportunity, showing me I was much more than I always thought."

and many more...

I am appreciative of the experience I gained during the course of the two years at St Clare's. I made a lot of new friends, many of them are from different countries, in addition to gaining a great deal of theoretical knowledge that I know will be useful in the future.

I'm doubtful that any other school could give me as much as St Clare's did."
