THEME OF THE WEEK Inventors & Innovators

TIME	THURSDAY	FRIDAY	SATURDAY	SUNDAY	MONDAY	TUESDAY
9:00 9:55	Welcome to Oxford Programme overview, familiarization and testing <i>Fluency in English</i>	Creativity & Discovery Step into the world of ideas and imagination Explore how creativity leads to innovation. Discover the stories behind famous inventions, discuss what makes an idea great, and brainstorm how they could change the world themselves.	The Way Things Work Learn to describe how everyday inventions function and what makes them useful. Through games and pair work, they use English for explanation and problem-solving — developing both their technical vocabulary and communication skills.	Excursion: London Visit the fun and interesting London Science Museum in the capital. Get up close and personal with all kinds of science exhibitions! Finish off the day with some time for shopping.	Pitch Like a Pro Focus on functional language to help present clearly and persuasively. They practise using persuasive language, presentation structure, and confident delivery — building teamwork and public speaking skills. <i>Language Skills</i>	Excursion: Warwick Castle Experience what life was like in this historic castle dating all the way back to 1068! Watch live performances of 'jousting', see the 'Trebuchet' in action and much much more!
